Since 1955, the Wellcraft name has stood for innovation, quality and dependability. These core values are found in an American icon designed by fishermen who demand the best every time they leave the dock. From offshore fishing to Great Lakes touring, pick your machine and let the adventure begin. Take a look at the line-up and choose the model that will be the start of many memorable moments on the water: **Fisherman, Scarab® Offshore, Sportsman, and Coastal®**. New features, upgraded amenities, distinctive styling... welcome aboard Wellcraft.

New for 2016, Wellcraft has proven it's dedication to you and your family by expanding the **Fisherman** series with four new models. In the Bay Boat category, 22 and 24 foot models will get you in the skinny water to net that inshore slam. The **Scarab Offshore** series is a tournament class center console with legendary performance. A Scarab Offshore boat is considered with diligence, designed with passion, and produced with premium quality and dependability. Our deep V hulls provide superior handling built with pride, tested and trusted by tournament champions worldwide.

Wellcraft **Coastal** series sport fishing boats are well-crafted for luxury offshore fishing and family time. With the backend built for the serious business of fishing, you'll also find that we haven't missed a trick on storage, room to maneuver, premium appointments, and all day amenities like a head and galley. It's all good in a Coastal sport fishing boat.

Family comfort comes first in the **Sportsman** series. You'll appreciate that these models are the perfect blend of fishing functionality and all the amenities that are important to enjoy a day on the water. Get ready for watersports, cruising, trolling, or chasing what's in season. It's family time at its finest on the Sportsman series of bowrider boats.
