

NEW FOR 2004

390 COASTAL

L.O.A.	44'7" (13.60m)
Hull length	39'1" (11.91m)
Beam	14'8" (4.46m)
Dry weight w/ tw eng (approx.)	
Fuel capacity (Gas)	394 gal. (1490L)
Water capacity	119 gal. (450L)

* Dry weights may vary with engine and options

KEY SALES FEATURES

- Wide beam with flared bow provides ample space for fishing • Cockpit sole reinforced for fighting chair • Helm designed to accommodate electronics • Cockpit top loading refrigerator
- Cockpit floor storage • L-shaped cockpit seating with table • Fresh water windshield wiper/washer (3) system
- Sirius Satellite Radio System • L-shaped dinette seating converts to double bunk and upper single
- LCD/TV-DVD player • Cherry wood cabinetry with satin finish • Luxurious master stateroom features queen size walkaround bed with inner spring mattress
- Head includes shower stall with hand-held shower - private entry via master stateroom
 - NMMA Yacht Certification
- Complies with Coast Guard safety regulations

STANDARD EQUIPMENT

HULL & DECK

Anchor locker with 2 access hatches; 45 lb anchor with galvanized chain
 Anchor roller - self-loading with 2 deck pipes
 Anchor winch with overload circuit breakers, galvanized chain with foot switch and controls at helm
 Anti-fouling with epoxy undercoats
 Hand holds and step at transom for reboarding
 Raw water wash down at anchor locker
 Rod holders - (5) - heavy duty
 Transom door with lift-up bridge and swing-out door

COCKPIT

12 VDC spotlights (2)
 Baitwell - recirculating with window and light - located at transom
 Cabin entry door - sliding - lockable
 Cleats - pop up (2) for fenders
 Cockpit bolsters
 Cockpit floor storage
 Cockpit overboard drains - aft
 Cockpit sole reinforcement for fighting chair
 Courtesy lights
 Dock lines (3); fenders (2) and boat hook
 Dockside water inlet with pressure regulator
 FRP storage locker doors
 Hatches - heavy duty w/ stainless lock downs
 Refrigerator - top loading portside cabinet
 Salt water wash down tap
 12 VDC pump
 Shore power connection with circuit breaker protection
 Shore water connection
 Shower - hot/cold - hand held
 Tackle drawer storage
 Tackle locker above cockpit refrigerator

HELM PLATFORM AREA

12 V/DC for electronics, main circuit breaker protected
 Bilge pump warning light on dash
 Cockpit icemaker portside helm
 Compass, 5" 12V light
 Dash cover - Brella White

FRP storage lockers
 Full instrumentation
 Grab rails
 Helm and companion chair, side by side with footrest at helm
 Hydraulic steering sports wheel
 Lights 12V/DC - courtesy - overhead
 Lounge seat - portside L-shape with frp table
 Molded in sink wither hot/cold water
 Receptacle AC duplex - weather resistant portside locker
 Room for electronics on helm
 Windshield - SS wraparound
 Windshield wiper/washer system (3) (runs off fresh water system)

SALON/GALLEY

Air conditioning 16,000 BTU - reverse cycle - salon - split to forward cabin
 Carpeting and underlay
 Cabinets - cherry wood with satin finish
 Electronics console - overhead with doors
 Exhaust fan (1)
 Garbage bin under countertop
 Grab rails down steps
 Granulon countertop w/molded in sink and single faucet
 High quality vinyl flooring with gold edge
 Lighting 12V/DC overhead
 Lighting 12V/DC (10)
 LCD TV/DVD with antenna
 L-shaped dinette (starboard side) with storage under. Dinette converts to double bunk & upper single (leather)
 Microwave/convection oven
 Receptacle (AC) duplex (2)
 Refrigerator 12 V/DC/AC (single door)
 Safety monitoring panel
 Sirius Satellite Radio System - AM/FM CD player, satellite radio receiver with antenna, 6 disc CD changer, amp subwoofer, 2 speakers in cabin, 4 in cockpit with remote control at helm
 Storage cabinets and drawers
 Storage lockers - stbd
 Stove - electric 2 burner
 Vinyl covered headliner

STANDARD EQUIPMENT - cont'd

MECHANICAL

Batteries - (4) 200 amp/hr
Battery charger - auto- 40 amp/12vdc (3 outlets)
Battery paralleling system
Bilge pumps, auto & manual (3) w/ high water alarm
Bonding system w/ transom zinc and shaft brushes including galvanic isolator
Electrical control center w/ back lighting AC/DC thermal/magnetic circuit breakers, voltmeters, amp meter
Electrical panel - circuit protected for overload and fault current
Engine and generator hour meters
Engine fresh water recovery system
Engine mounted oil filters
Engine room lights (4)
External sea water strainers
Fire extinguisher - portable (3)
Fire system in engine room
Fresh water cooled diesel engines (twin)
Fresh water hook up with hose - fwd engine room
Fresh water tanks (2) 119 gal (approx.) with gauge at helm
Fuel filters/water separator for engine/generator
Fuel shut off valves w/ emergency remote
Generator 9kw with muffler; fresh water cooled, and sound shield; remote stop/start electronic
Generator battery, 70 amp/hr w/ master switch
Generator external seawater strainers
Hydraulic steering
Navigation lights
Propellers - 4 blade Nibral
Receptacle, AC duplex ground fault protected in engine room
Rudders, stainless steel stocks, aluminum bronze blades w/ zinc anodes
Shafts duplex stainless (2)
Struts - aluminum bronze

Trim tabs - electro hydraulic
Visual & audible signals for engine high water, temp, low oil pressure
Walk in engine room with ladder
Water heater, AC/heat exchange
Water system with pump 12V

MASTER STATEROOM - FORWARD

Carpet and underlay
Hanging locker with light (2)
Headboard - upholstered
Hull liner, vinyl with padding
Lighting - 12 V/DC (4)
Queen size walkaround berth with innerspring mattress
Receptacle, AC duplex (1)
Storage under berth including drawers - gas lift assist for easy access

Soft Furnishings Package

4 cushions for cockpit (vinyl)
8 throw pillows for cabin
Bath Pkg: 2 beach towels; 2 bath towels; 1 hand towel; 1 face washer; 1 bath mat
Queen bedspread, 2 bolsters cushions
Roman blinds fabric upgrade for forward cabin and main salon
Upholstery fabric upgrade - forward bedhead fabric

MASTER HEAD

Exhaust fan (1)
Private entry through master stateroom
Receptacle AD duplex with GFI protection
Shower stall, 12 V/DC light, automatic sump pump, hand held shower head
Tinted deck hatch with screen
TP holder and accessories
Tower bar - 2
Vacuflush system - freshwater with holding tank and Y-valve fitting for dockside and overboard pumpout
Vanity - Granulon with molded in sink

OPTIONAL EQUIPMENT

Air condition 16,000 btu - reverse cycle to helm area
Bow thruster - 6hp w/ controls at helm
Cabin acrylic carpet runner
Cockpit carpet
Cockpit cover
Forward sundeck cushion with hand holds
Fuel filters - dual Racor
Helm platform carpet
Oil change pump 12V/DC for main engines and gen set
Radar arch w/ navigation lights, anchor light and 2 speakers
Swim platform w/ boarding ladder
Teak cockpit flooring, side steps and helm entry step
Teak helm platform
Décor Package
Lamp, platters, decorative items, vase with greenery, picture frames, framed art, galley items and bath accessories
Electronic Equipment
Raymarine ST 40 Bidata
Raymarine ST60 Tridata
Raymarine RC530 7" Color Chart Plotter 120 WAAS GPS

Cruise Range

Performance and fuel consumption will vary and be affected by water and weather conditions, altitude, load and condition of boat, engine and propeller(s). Cruise range based on 95% of fuel capacity. All data is illustrative and is not warranted. This test done with clean bottom, no bottom paint and light to average load.

Specifications, options, and equipment are subject to change without notice.
